

# Advanced UGRA Course 2016 (Ultrasound Guided Regional Anaesthesia)

Copenhagen: November 2, 2016

**usabcd**  
UltraSound Airway Breathing Circulation Dolor

## Objective

Advanced UGRA is for the specialist anaesthetist who wants to master a more comprehensive armamentarium of USG nerve blocks. The focus is on ultrasound, in-plane technique with a linear transducer and single shot nerve blocks.

## Precourse qualifications

Previous participation on a USabcd Basic UGRA course or similar is required.

## Faculty

Thomas Fichtner  
Bendtsen, assoc.  
professor MD PhD,  
Dep Anesthesiology,  
Aarhus University  
Hospital, together  
with a team of highly  
skilled supervisors.

## Program

### 10.00-10.15 Introduction

### 10.15-11.15 Neck & shoulder

Cervical plexus block  
Axillary & suprascapular nerve blocks  
Dorsal scapular/long thoracic nerve blocks  
Intercostobrachial nerve block

### 11.15-12.15 Upper trunk

PECS I & II blocks  
Serratus plane block  
Thoracic paravertebral block

### 12.15-12.45 Lunch

### 12.45-13.45 Lower trunk & pelvis

Quadratus lumborum block  
Fascia transversalis plane block  
Rectus sheath block  
Fascia iliaca compartment block  
Caudal block

### 13.45-14.45 Upper limb

Median nerve block elbow/wrist  
Ulnar nerve block elbow/wrist  
Radial nerve block midhumeral/elbow  
Musculocutaneous nerve block

### 14.45-15.00 Coffee break

### 15.00-16.30 Lower limb

Lateral femoral cutaneous nerve block  
Obturator nerve block  
Genitofemoral nerve block  
Posterior femoral cutaneous nerve block  
Ankle block

### 16.30-17.00 Certification

## Cutting edge e-learning & workshop

Theory in the form of interactive e-learning is provided prior to the course. The focused 1-day hands-on workshop is 100% dedicated to practice training.

A certificate is issued after the course.

## Language

English if any non-Danish speaking participants join the course.

## Registration fee

DKK 3675 / EUR 490

Includes e-learning, 1-day workshop & lunch

## Venue

GE Healthcare, Park Allé 295, 2605 Brøndby
